Harvested: 10/2/20

Aging: 5 Months Neutral French Oak

pH: 3.95

TA: 5.7gr/L

ALC: 12.6%

STORY

Inspired by the Southern French reds of sommelier cult producer, Maxime Magnon, and Cru Beaujolais from the Gang of Four, our Carignan is made with partial carbonic maceration, making for a juicy-fruited, crushable red that we like to serve chilled or at cellar temperature. This light-bodied easy-drinking fresh red is loaded with flavors of strawberries, cranberries, and baking spices. With herbaceous flavors of umami and sandalwood it is a perfect match for cured meats, dark leafy greens, and of course the ubiquitous burger or pizza night!
